On January 28, 2014, Mr. Shively was convicted of Driving Under the Influence in Davidson County General Sessions Court for the arrest in September 2013. He was sentenced to 11 months, 29 days custody, suspended all but 48 hours and ordered to pay \$1,069 in court costs and fines.

### **Compliance with Supervision Conditions and Prior Interventions:**

Mr. Shively began supervised release on January 2, 2013. He is scheduled to terminate supervision on January 1, 2017.

A report was submitted to the Court requesting no action on September 25, 2013, to inform that Mr. Shively had been arrested and charged with Driving Under the Influence. Following the arrest, he admitted to the probation officer that he had approximately six mixed drinks that evening. He was referred for a substance abuse assessment on October 15, 2013. An assessment was completed on October 21, 2013, and no treatment was recommended at that time. No action was taken by the Court at that time.

A petition to modify the conditions of supervision was submitted to the Court on November 22, 2013, to inform that Mr. Shively had received money from inmate in the Bureau of Prisons and sent the money to a third party and had not been truthful with the probation officer. The petition requested for a condition to be added for the offender to reside at the halfway house for 4 months. A hearing was held before Your Honor on December 4, 2013. A condition was ordered for Mr. Shively to complete 4 months home confinement.
